PLATFORM

The basis of all variants are based of the original delivered **Volkswagen** ID.Buzz panel van. The complete electric drivetrain system remains fully original as it is designed and manufacturer by **Volkswagen** AG. The warranty on the vehicle drivetrain is the original **Volkswagen** warranty. The ID.Buzz will be available in multiple variants like a dropside, tipper, dust sweeper and box-body. All variants will meet the quality standards as determined by Volkswagen AG.
