

# VW eCRAFTER PLATFORM CAB

## e-VEHICLE MODIFICATION

VETH AUTOMOTIVE

**OPEN LAADBAK**  
DROPSIDE

**KIPPER**  
TIPPER

**GESLOTEN LAADBAK**  
BOX-BODY

## PLATFORM

The basis of all variants are based of the original delivered **Volkswagen** eCrafter L3H3 panel van. The complete electric drivetrain system remains fully original as it is designed and manufacturer by **Volkswagen** AG. The warranty on the vehicle drivetrain is the original **Volkswagen** warranty. All variants are provided with a Letter of No Objection (LONO) and can be registered in Whole Europe due to the second stage European Type Approval (ETA).
