PLATFORM

The basis of all variants are based of the original delivered **Mercedes** eVito L2 or L3 panel van. The complete electric drivetrain system remains fully original as it is designed and manufacturer by **Mercedes**. The warranty on the vehicle drivetrain is the original **Mercedes** warranty. The eVito will be available in multiple variants like a dropside, tipper, dust sweeper and box-body. All variants will meet the quality standards as determined by Mercedes-Benz.
